Art Unit: 3612

1. This application is a reissue of U.S. 5,906,407. The patent has expired due to nonpayment of the maintenance fees. All reissue claims lack basis for Reissue under 35 U.S.C. 251 as a result. A petition to accept unintentionally delayed payment of these fees has been filed on 9/27/2007 in the above patent. This petition was dismissed on 4/25/2008. A second petition was filed on 5/9/2008 to correct the first. Decision on that petition is pending. Prosecution of the reissue application is suspended pending resolution of the second petition. The suspension is for a period of SIX MONTHS from the date of this letter or until the petition decision is resolved. Upon expiration of the period of suspension, applicant should make an inquiry as to the status of the application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis H. Pedder whose telephone number is (571) 272-6667. The examiner can normally be reached on 5:30-2:00.
